ASSIGNMENT FOR SEMESTER END EXAMINATION, SPRING 2025

Course Name- ASPECTS OF LANGUAGE

Course Code- MAEGD / MEG 104

Full Marks= 30

Answer the Following Questions:

15x2=30

1. List down at least 25 words of different length from your mother tongue showing their syllables and state whether the syllables are open or close. Does your mother tongue allow complex onset and complex coda? 10+5=15
2. List down at least 30 sets of words from your mother tongue for each of the lexical relations.

NB: All questions as per instruction are to be mandatorily attempted.
