Message from the Pro-Vice-Chancellor

It is with great pleasure that I welcome you to the Centre for Distance and Online Education (CDOE), Tezpur University. Established in 2011, CDOE was founded with the objective of disseminating knowledge and delivering quality higher education through the Open and Distance Learning (ODL) and Online modes, thereby expanding the reach of the University to learners across Assam.

The Centre for Distance and Online Education, Tezpur University operates in accordance with the University Grants Commission (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020. The programmes offered by CDOE are designed to ensure academic rigor, flexibility, and convenience, catering to the diverse needs of learners including regular students pursuing dual degree programmes, working professionals, homemakers, and lifelong learners who aspire to continue higher education while managing personal and professional commitments.

Learners are empowered to study at their own pace, from anywhere, without compromising on the quality of education. The curricula are regularly updated to align with contemporary academic standards, enabling learners to acquire relevant knowledge, analytical abilities, and practical skills.

By enrolling in programmes offered by CDOE, Tezpur University, learners benefit from experienced faculty members, user-friendly digital learning platforms, and dedicated learner support services. The flexible study structure ensures that higher education remains accessible, inclusive, and adaptable to the evolving needs of society.

I encourage all aspiring learners to take advantage of the opportunities offered by CDOE. Let us move forward together for a knowledge society.

With best wishes for a rewarding academic journey,

Date: 13.02.2026

(Prof. Amarendra Kumar Das)
